

5th March 2021

The last 12 months have been incredibly tough for many of us and we're so proud of how our school community has pulled together and supported each other.

While life is still not back to how it was and things continue to look a bit different, we feel it is really important to take part in Comic Relief to raise both a smile and some life-changing money.

Here's what we've got planned:

Children and staff can come to school dressed as heroes. This could be a superhero such as Black Panther or Captain America or a person who you think has been a real-life hero like a nurse or even someone in your family! We are asking for a suggested donation of £1 to help change lives in the UK and across the world.

We will also be competing in an inter class quiz where there will a prize for the winning team from each class.

As well as taking the opportunity to be part of something positive, we'll be using Red Nose Day as an opportunity to explore the issues facing young people in the UK and across the world, and how the money we raise can help.

With massive thanks for all your support,

Natasha Birch
Assistant Headteacher
