

Child Friendly Safeguarding Policy

Our school has a Safeguarding Policy for staff, families and governors but this policy is designed for you. We created this policy to help you understand who to go to for support if you or someone you know needs help.

We have people in school who are specially trained to help you. It is important you know who these people are if you are worried or unhappy about something.

These are our Designated Safeguarding Leads

Safeguarding means that all staff want to

- ✓ Protect you from harm.
- ✓ Make sure nothing stops you from being happy.
- ✓ Make sure you are safely looked after.
- ✓ Make sure you have the best life chances.

Sometimes we may need to contact Social Workers or the Police.

This is because schools can't do everything on their own and need to work with other people.

It might sound a bit scary but the other people are great at helping children too.

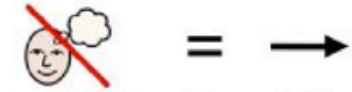

Has anyone said anything to upset you?

Has anyone shown you pictures you didn't like?

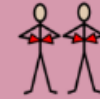

Is anyone trying to make you do something you don't want to?

Is anyone bullying you?

Tell someone so we can help.

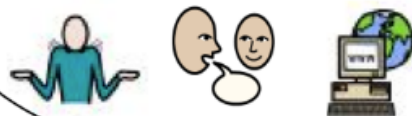

DO NOT KEEP IT A SECRET

Has anyone touched you in a way that you don't like?

Has anyone you don't know tried to talk to you online?

Has anyone hurt you?
